

I am going to be visiting Eureka!.

You may feel.

About visiting Eureka!.  
That is ok!  
Here is a social story to  
help you feel more  
comfortable.

There are 7 different areas to explore at Eureka!

**All About Me:** Learn all about our bodies, how amazing we all are and what we're made of!

**Spark Gallery:** Learn about latest interactive technology from around the world.

**Creative Space:** Scribble, draw, express yourself!

**Desert Discovery:** Different sounds and smells of the desert and share a story!

**Living & Working Together:** Learn about the world around you!

**Sound Garden:** Sensory play exploring how precious nature is.

**Sound Space:** The different properties of sound and how to make it!

There is also an outdoors play area.

There is a café if you get hungry.

Alternatively, you can bring your own food areas both indoors and outdoors.

During the event you may see Harley, our friendly photographer photographing the event.

We hope you have a  
fantastic time at our  
event.

The A World UK Team.
