

I am going to be visiting  
Blackpool Zoo.

You may feel.

About visiting the Zoo.  
That is ok!  
Here is a social story to  
help you feel more  
comfortable.

This is where you will enter the foyer to the Zoo.

Inside there are toilets, a gift shop (which will be open later), and guest services.

If you haven't already, this is where you will show staff your tickets.

There are a variety of different animals at the Zoo from Elephants, Tigers and Seals to guinea pigs and goats.

The Zoo also has an outdoor play area.

As well as an indoor play area/petting zoo.

There is also a train station (rides cost £3.00)

If you get hungry, there is a café and other outlets located around the Zoo.

Seating areas can be found in multiple places around the Zoo.

Including an indoor seating area if you choose to bring a picnic.

As well as a large grass area for picnics or to run around on.

You will find information signs like this one at the enclosures.

During the event you may see Harley, our friendly photographer photographing the event.

We hope you have a fantastic time at our event.

The A World UK Team.
